## WEEK'S RECORD IN REAL ESTATE.

Good Cash Sale of Vacant Ground on Delmar and Von Versen Avenues.

NORTH END PROPERTY LEASED.

Transfers of the Week—Real Estate Notes—Building Permits Issued—Agents' Reports.

With election day a little more than two weeks ahead it might be expected that real estate sales would be largely confined to cases where property was actually needed at once. Some of the agents, however, announce a satisfactory state of affairs, although, with one exception, none of the larger transactions that have been pending for some time reached maturity during the week just closed.

The exception referred to is the sale of 150 feet of vacant ground on Delmar, Belt and Von Versen avenues for cash by J. I. Epstein for about \$60,000. This is the largest sale of vacant residential property for many months, and it is stated to have been a bona fide cash transaction, there being no heavy encumbrances to press the owners, who had held the property for over forty years. A number of attractive residences will be at once erected on the splendid sites thus secured, and within a few months a complete transformation will have been effected.

The excellent rental season is attested by the Mercantile Trust Company, whose business in this department has been the best they have known for years, and Charles F. Vogel reports the following reassuring indication for the future realty market.

Week's Transfers.

During the week ending Friday evening 19 deeds, transferring real estate, were filed in the office of the recorder, the total consideration being \$230,325.

Agents' Deals Together.

About sixty members of the Real Estate Exchange had dinner together at the Mercantile Club on Tuesday afternoon. The gathering was extremely enjoyable, and the fact, an executive session of the exchange. It is stated on good authority that many of the agents present were discussing the possibility of exchanging their offices, and the opinions exchanged were calculated to be of sterling value to those present.

Charles F. Vogel presented resolutions advocating the waterway channel of the Mississippi River all the year round, which were adopted by acclamation.

Saturday's Auction.

An auction of South St. Louis lots was held yesterday by the Mercantile Trust Company's real estate department. The lots were owned by two corporations, which decided to convert them into cash. The lots, situated in the Third and Fourth wards, were sold as follows: Lot 2, 24x125, to Rudolph I. Fien, \$7,500; lot 3, to L. W. O. Ruckert, \$7,500; lot 4, to L. W. O.
